Where do I get the serial number?

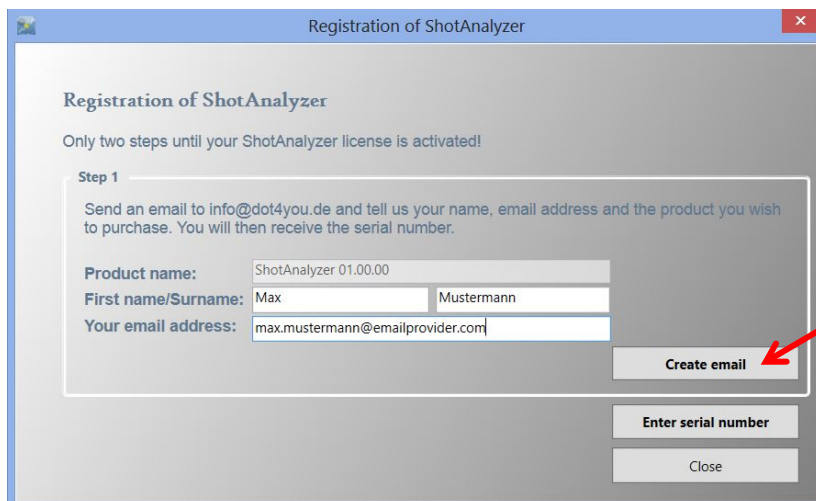

There are several possibilities to ask for a serial number. You can contact us through the contact form on our website www.dot4you.de or you let ShotAnalyzer create an email that you can send via your email account.

Create an email with ShotAnalyzer:

1. Start ShotAnalyzer and, in the menu "?", go to "Registration"

2. Enter your name and email address in the pop-up window and continue by clicking on "Create email".

3. Don't forget to indicate your mailing address in the email so that the bill can be sent to you!
4. Send the email.

Where do I find the serial number?

The serial number is printed on the bill that you will receive from us.

I have a serial number, what do I do with it?

You have received the serial number with your bill and you want to activate ShotAnalyzer. Proceed as follows:

1. Start ShotAnalyzer and, in the menu "?", go to "Registration"

2. Enter your name and email address in the pop-up window, if you haven't done so before. Then click on "Register serial number".

The main content area is titled 'Registration of ShotAnalyzer' and contains the text: 'Only two steps until your ShotAnalyzer license is activated!'. Below this, it says 'Step 1' and provides instructions: 'Send an email to info@dot4you.de and tell us your name, email address and the product you wish to purchase. You will then receive the serial number.' There are three input fields: 'Product name:' with 'ShotAnalyzer 01.00.00', 'First name/Surname:' with 'Max' and 'Mustermann', and 'Your email address:' with 'max.mustermann@emailprovider.com'. There are three buttons: 'Create email', 'Enter serial number' (highlighted with a red arrow), and 'Close'.

3. Enter all the required information and the serial number in the pop-up window. Before you click on "Online activation", make sure that you are connected to the internet! ShotAnalyzer will now activate the registered serial number and you will be able to use ShotAnalyzer.
